

Ramps and Ratios

Assuring public access for all

Name(s) _____

Date _____

Instructor/Class _____

Questions 1-10. Use the table below to record your findings.

Question	Image	Run (px)	Rise (px)	Percent Slope	Meets/Does Not Meet Legal Requirement
1	<i>Ramp Demo</i>				
2	<i>Demo</i>				
3	<i>Demo</i>				
4	<i>Ramp A</i>				
5	<i>Ramp B</i>				
6	<i>Ramp C</i>				
7	<i>Step Demo</i>				
8	<i>Step Demo</i>				
9	<i>Steps A</i>				
10	<i>Steps B</i>				
	<i>Steps C</i>				

11. What are some of the options available for handicapped access at these entries?

- Extend the ramp much farther than the steps.
- Create corners or turns in the ramp.
- Modify a different entrance.
- Leave some public buildings inaccessible to wheelchairs.
